DAY CAMP Is designed to encourage a positive camper/parent experience. This focus allows the camper to become comfortable at camp, which in turn, helps to promote a smooth transition as the camper graduates to overnight camps in upcoming years. For this reason, we encourage either one or both parents to escort their Kindergarten/1st grader to camp, and if it is at all possible, for no siblings to attend so it can be a focused experience for the Kindergarten/1st grade student.
 Cost is \$30 for 1 CAMPER and 1 PARENT and is due with registration.
 The cost for any additional patrons attending camp is \$5.
 If registrations are turned in after the July 2nd deadline, a \$20 late fee applies.
 Please write the number of people (to include campers and parents) that will be attending Day Camp. _____
