Over Spring Break, the SRCC student ministry is partnering with Prairie View Christian Camp. Each year, we enjoy our Fall Retreat or Spring Retreat at PVCC. Those retreats offer students and adults a chance to enjoy God in his creation, a space to hear God through sermons and teaching times, an atmosphere to experience different types of worship, all the while allowing students to form relationships with others. It has been a place of transformation and refreshment for so many within our ministry.

PVCC doesn't just host our retreats, but runs many other church retreats, weeks of camps, and other getaways as well. Their director Phil Weece has been doing an amazing job of leading the camp over the past few years. He can sit and tell you stories of the amazing things God does while people are on their campground.

Because of all that Prairie View has meant to us, we want to be an encouragement to them. Our plan is to spend part of the spring break week doing multiple jobs for them, which includes lots of painting. Depending on our group size, we may also be able to work on trails, on the challenge tower, on the pool, etc. These things will help them as they prepare for this summer, and beyond.

The cost for this trip is \$150. That price covers the work project materials, plus our lodging and ALL of our food. This is going to be a great opportunity to serve!
